- 1 .** We can hold up to 70 people for dinner and can accommodate up to 80 people for seminars, meetings or parties.
- 2 .** Our price is unbeatable. With the advantage of being designed for our curling season our lounge is available during the summer months for an extremely competitive rate.
- 3 .** Our lounge has the technology needed to hold a professional meeting/seminar. We have a large projection screen which can be used to watch DVD's or hook a laptop up to for presentations. We also have wireless internet available if the internet is needed during these functions.
- 4 .** We have a fully licensed bar and our bartenders can accommodate the needs of our clientele. We have multiple beer selections, multiple liquors as well as non-alcoholic drinks at very reasonable prices.

Kitchen Services

We have a fully fitted kitchen as well as contacts with multiple catering companies in the Niagara and Hamilton Area.

Our lounge can ideally sit 70 people for a full dinner; Appetizer, meal, and desert. We can hold up to a maximum of 80 people for this same meal. The price will vary depending on the amount of people as well as the type of meal you are interested in.

We can supply a meal with something as simple as sandwiches and soup or we can cater a larger meal with items such as roast beef, potatoes and a salad. The choice is up to you. We are flexible and always willing to accommodate YOU, our customer.

Ice Rentals

While our Curling Club is extremely busy we still have available times throughout our season where individuals can bring a group and enjoy one of Canada's most valued past times.

Never curled before, not a problem; our club has numerous CCA (Canadian Curling Association) trained coaches who for a small fee are more than willing to start you out in the right direction.

Also we have beginner clinics throughout the year that are available to members and non-members; a small fee is associated with these clinics.

As with everything else at our club we have very reasonable prices to help make your experience with us as pleasant as possible.
